### October's Party

October gave a party;

The leaves by hundreds came -  
The Chestnuts, Oaks, and Maples,  
And leaves of every name.

The Sunshine spread a carpet,  
And everything was grand,  
Miss Weather led the dancing,  
Professor Wind the band.

**Swift Reach H2°** is a notification system to deliver automated messages to our residents via a phone call or email. This system is recommended by Minnesota Rural Water Association. It is a leading provider of on-demand alerting and incident management services for both routine and emergency communications. Here are a couple of examples when Empire would be using Swift Reach H2°: 1. Any water/sewer emergency. 2. When the weather is so bad that the plows would have to be called back in. 3. Remind residents of special programs held at Empire. Empire is setting up Swift Reach H2° now.

**Ball Field:** The Town Board, Planning Commission and Park and Rec have come close to finalizing the plans for the Stelzel fields concession stand, bathrooms and storage area. Supervisor Jamie Elvestad, Jeff Hince and Duane Snesrud has been heading up this project. We are hoping that the buildings will be up by next Fall.

**Sunday Night Entertainment in the Park:** Each Sunday evening during June, July and August, 7-8 p.m., Empire Township provides FREE entertainment to the community. We are looking for LOCAL TALENT for our 2013 Sunday Evening Entertainment summer schedule. If you are interested and have experience in family oriented entertainment, please submit a description of your talent, your cost and your contact information to Empire Township at "info@township.empire.mn.us". Schedules are usually set the first quarter of each year. If you have questions, you may contact Jill Parkins 612-210-0188.
