

## **Planning Commission Meeting Minutes**

**January 19, 2016**

The meeting was called to order by Chair Tom Kaldunski.

Present were: Tom Kaldunski, Cheryl Jacobson, Jared Sachs and Liaison Jamie Elvestad

Pastor Dan Oberer from Hope Lutheran Church had a couple ideas of what they could do for the Empire community.

The first was a 5-K race in the spring or fall of 2017. There were questions on the liability and cost to the Township. We will check with the Sheriff to see what they have for organizing a 5-K.

The second was a Farmers Market and they would hold it on Saturdays, 9-12:00 p.m. in 2017. Discussion was held regarding traffic and vendors. A suggestion was made to get the neighbors opinion.

Mike McCabe, Oak Leaf Solar, was in for the continuation of the public meeting and discussion for the IUP for a solar garden at Met Council's WWTP. Tom Kaldunski made a motion to recommend approval of the IUP for Oak Leaf Solar XV LLC. Jared Sachs seconded. Motion carried 3-0.

Meeting adjourned at 10:00 p.m...
