Paul Schlafman, 3680 194th Street is a general contractor. He wants to know about developing his 8.34 acres. The Planning Commission said he needed to find out about floodplain/wetland, railroad and pipeline easements, road access and sewer access etc. for this parcel. Then draw up a concept plan and present that.

Two brothers from the Frandup farms came in to discuss the possibility of their 54.79 acre parcel for commercial. Empire needs a written request from the land owner.

The Buddhist Society is ready to build their 'gateway' to the temple. A public hearing will be scheduled for March 21 if they have the plans ready.

March 7th meeting will not be held due to Precinct Caucuses.

Meeting adjourned at 9:45.
