

Park and Rec Meeting Minutes November 13, 2017

The meeting was called to order by Chair Mike Carey.

Present were: Mike Carey, Jessica Boelman, Josh Lindgren, Duane Snesrud, Denise Williamson and liaison Terry Holmes.

Present were: James Brewer, (Farmington Baseball), Christy Israelson, (scheduling boys), Amy Smith, (girls), and Mike Moe, (girls softball).

The main item the groups would like to see added to the fields would be some sort of safety nets. Score boards were also mentioned but the nets are first priority. The pop cooler doors need repair. The narrow tables inside the concession stand tend to tip. Some way to stabilize would be helpful.

A notice of shut-down procedures permanent on the wall was suggested. They asked for a method of hanging a menu.

We need either bigger bags or smaller garbage cans located inside the stand. (Get 3 smaller cans).

They would like some method to indicate where the base pins are located, maybe a sign on the fence or possibly a metal detector. They are buying pitching rubber system with pegs and rubbers. They asked for a storage bin to store the items. Softball will do some checking regarding the rules that exist for the temporary fencing.

They requested that we consider implementing a "flat fee" for the concession stand usage as opposed to the 20% rate being used now.

We would like to meet with both Boys Baseball and Girls Softball admins again in February or March and then again in November each year.

Holiday party: Most items are in place.

Next meeting is November 27.

Meeting adjourned at 9:15.
