

Park and Rec Meeting Minutes October 14, 2019

The Park and Rec meeting was called to order by acting chair Josh Lindgren.

Present were Duane Snestrud, Josh Lindgren, Denise Williamson and liaison Jamie Elvestad.

Reports on park inspections we given.

- Town Hall Park and Tennis courts: Burn holes in tube slide (known from last year), graffiti in tube slide (know from last year), basketball pole in parking lot needs to be taken down (Jeff has plans to do this), tennis courts looked great.
- Sachs Park: Missing a swing, paint needs to be painted, rubber coating on steps coming off or off (Jeff has supplies to fix this. Plans was to fix this summer but ran out of time and weather too cool), Equipment needs to be painted- just worn, not sure it is worth it to do this.
- Empire River Preserve: One swing is twisted up.
- Stelzel Fields Playground: All looked good.
- Stelzel Ball fields: Fence posts coming up from ground (Jeff has been working on these as time allows and will continue to), Need more “no soft toss” signs along fences (Denise will contact ball teams to order these and maintenance will put up), Pitching mounds & nets still on fields (Denise has contact FGFA & FTBA on 10/8 to have those removed and stored, will continue to follow up).

Pre-liminary hockey rink plans were looked at with estimate cost. This gave us an idea of what the costs are and what is needed.

Dew Days potential moving to the week after Father’s Day. Duane will continue to attend meetings and report back.

Next meeting Monday, October 28th with Farmington Park & Rec at Empire.

Meeting adjourned.
