They want to adopt an outdoor rink that includes benches, bleachers, locker rooms, chain link fence and scoreboard. They would like priority to use it weeknights and weekends. They would like to partner with building the rink and have some funds to contribute. It was decided to table the discussion until all Park and Rec members are present.

Charlie Seipel came and talked about Capital Improvement Plan for future Park & Rec needs. Charlie had a list of capital outlays and asked the Park & Rec to review list, add anything that was missed and prioritize projects according to need.

Meeting adjourned at 8:15pm.
