

## **Park and Rec Meeting Minutes June 11, 2018**

The meeting was called to order by chair Mike Carey.

Present were: Jessica Boelman, Josh Lindgren, Duane Snesrud, Denise Williamson, Mike Carey and liaison Terry Holmes.

We have a sign to hang on the fences at Stelzel Fields for Dew Days. Jeff should hang the sign up Tuesday.

Talked about implementing a fine on the users of the softball fields for driving vehicles into the concession area.

Give Jeff our list of park tour repairs and ask him to fix as many items as possible and then let us know the items he can't fix.

We need to plan for some equipment replacement in the near future.

We plan on taking a park tour annually to look for equipment issues. Should be in May.

Next meeting June 25.
