

Park and Rec Meeting Minutes September 25, 2017

The meeting was called to order by chair Mike Carey.

Present were: Mike Carey, Josh Lindgren, Duane Snesrud, Jessica Boelman, Jill Parkins and Denise Williamson.

Softball fields are being discussed with Corey Schweich who is on the Empire Planning Commission. We are in need of some posts and pitching plates are the immediate needs. Baseball and softball discussed installing pitching plates. Something else to consider is netting for foul balls mostly in the area around the backstops. After discussion it was decided to invite both girls softball and boys baseball to our November 13 meeting. We will discuss fees (resident vs non- resident) and potential additional light fee.

Trees will be planted in the disc golf course as the maintenance department is able to plant.

Next meeting is October 9.
