

## **Park and Rec Meeting Minutes September 28, 2020**

The Park and Rec meeting was called to order by co-chair Jessica Boelman.

Present were Mike Carey, Jessica Boelman, Nicole Bower, Jordan Johnson, Josh Lindgren, Jill Parkins, Denise Williamson and Terry Holmes.

Update on the new playground equipment at Sach's Park was given. The old equipment has been removed. We are waiting on the arrival of the new equipment in the next week or two. After new equipment is installed new surfacing will be put in.

Empire River preserve has been resurfaced and is complete. The Town Hall park will have the concrete walkway to park poured soon. Resurfacing will take place after Sach's park is complete. Handicap swing will be installed when delivered.

All parks should be completed by the end of October.

Equipment at the ballfields was damaged following a rental. The same group left trash all over the field. Another group was kind enough to clean it up.

FYHA has inquired about using the hockey rink in the winter and helping with maintaining it. Discussion currently is ongoing regarding this option.

Holiday Drive By Party updates. Denise has things on order for goodie bags. We will be making 100. Denise will purchase hot cocoa packets, candy canes and Little Debbie Christmas snacks closer to the date when they will be available. Mike will check with Steve Lehmeyer about adding a promotional item. Jessica will check with Blue Nose about getting some coupons to add to the goodie bags. Newsletter is going out next week advertising the Holiday Drive By.

Meeting Adjourned. Next meeting is October 12, 2020.
